

EZ Series® Plugger Control Panel

Easy to install control panel provides convenient wiring connection for use with one single phase pump in effluent and sewage installations.

The EZ Series® Plugger control panels feature a sleek easy to install panel and optional mounting post. The panel includes a built-in high water alarm with test/normal/silence switch and incorporates a receptacle to accept 120 VAC or 240 VAC pump and piggy-back pump switch.

The optional post models include an access door and cord seal which allow piggy-back and pump plugs to be easily routed and sealed into the panel. The post can be mounted in the ground directly, over a 4X4, or over conduit. The panel is also available with optional duo alarm and auxiliary contacts to meet the needs of various applications.

PANEL COMPONENTS

- 1. Enclosure** measures 10 x 8 x 6 inch (25.40 x 20.30 x 15.2 cm) with removable mounting feet, NEMA 4X rated, ultraviolet stabilized thermoplastic for indoor and outdoor use. Includes locking latch as standard.
- 2. Red Alarm Beacon** provides 360° visual check of alarm condition.
- 3. Receptacle** for use with piggy-back pump switch.
- 4. Alarm Fuse** (mounted on circuit board).
- 5. Horn Silence Relay** (mounted on circuit board).
- 6. Pump Circuit Terminal Block**
- 7. Exterior Alarm Test/Normal/Silence Switch** allows horn and light to be tested and horn to be silenced in an alarm condition. Alarm automatically resets once alarm condition is cleared.
- 8. Alarm Horn** provides audio warning of alarm condition (83 to 85 decibel rating).
- 9. Alarm Power Indicator** (mounted on circuit board).
- 10. Alarm Circuit Terminal Block** (mounted on circuit board).
- 11. Ground Lug**

NOTE: Schematic/Wiring Diagram is located inside the panel.

OPTIONAL FEATURES

- 34" mounting post with cord seal
- Duo Alarm
- Elapsed Time Meter (See Accessories catalog page for information.)
- Various cord lengths available
- Pump circuit breaker

FEATURES

- Entire control system (panel and switches, excluding VRS) is UL Listed to meet and/or exceed industry safety standards
- Dual safety certification for the United States and Canada
- Standard package includes alarm float switch
- Complete with step-by-step installation instructions
- Five-year limited warranty
